*County Executive*

Robin Riley  
*Director*

Coaches,

We hope that you and your families had a fantastic time, and that the new school year is off to a great start. Here at Montgomery County Recreation, we're preparing for the 2022-23 Winter Youth Basketball season, and registration is right around the corner.

As in years past, we will be utilizing an online form to build your teams so that players can register directly to your roster. Please complete the [Coaches Inquiry](#), this inquiry will provide us with information about you and your team. This is also where you will identify 5-8 practice location options, using information in this document, as well as create your team passcode that you will pass along to your players to use to register to your team.

This year, we have a new registration system, the address is still [www.activemontgomery.org](http://www.activemontgomery.org) Parents/Guardians of players on your roster will need to either create a new account or change the password from an account that was migrated over from our previous system. Once on our registration site, they will search the Activity Code (see below) for the league playing to start the registration process. (Please see attachments "How to Reset Online..." and "How to Create an Online..." as help guide to pass along to players on the process of registration.)

We are so excited to get the kids (and coaches) back on the court this season! Please feel free to reach out with any questions along the way, as we're here to help in any way we can!

We look forward to another great season!

## Instructional Basketball Scrimmage/Game Rules

Scrimmages are intended as an extension of the practice sessions. Participants can use the skills they have learned in a game situation. Please do not keep score or standings but encourage the team to have fun.

1. Kindergarten and first graders will break into 2 groups and play 2 half court (using side baskets) – 3 on 3. The coaches will be self-officiating the games the games. A timekeeper will keep time for the whole gym and switch sides at half time.
2. Second graders will play one game using the full court – 5 on 5. For combined 1st and 2nd grade leagues, the default format is one full court, 5v5 game.
3. Basketball rim heights should be set to 8 feet for all kindergarten through second grade games. Junior (27.5”) basketballs should be used.
4. Scrimmages consist of 4 – eight-minute quarters. Time stops on foul shots and time-outs. Teams may have two (2) one-minute time-outs per game.
5. Each player must play 2 quarters from start to finish for rosters of 10 players. For teams with less than 10 players, rotate playing time each week to provide an equal opportunity for all players. Teams should have no more than 10 players. No child should play every quarter of every game.
6. Use a foul line approximately 2 feet in front of the regulation foul line.
7. There are no back-court violations.
8. No pressing or double-teaming. MCR encourages teams to play a man-to-man defense once the ball crosses into the offensive front court. Teams may want to have a lineup at the beginning of each quarter to assign each player a “man” to cover.
9. There are no 3-point shots.
10. RELAX, BE COOL, AND HAVE FUN!

## Officiating Guidelines

### **K / 1<sup>st</sup> Grade**

- Start of game – Select one team to start with the ball each half
- No jump balls
- No foul shots
- Traveling / Double Dribble – No turnovers, just reset the play
- No steals when a player is dribbling the ball, only on a pass or shot
- No stoppage of play – walk with the player dribbling encouraging the other kids to get back on the other side of the court
- Scrum – Blow the whistle and restart play; rotate which team gets the ball back

### **2<sup>nd</sup> Grade**

- Start of game – Jump ball
- Have players take free throws for fouls called in the act of shooting (foul line is 2 feet in front of the regulation foul line)
- Traveling / Double Dribble – Provide substantial warnings resetting the play, and then towards the end of the game begin enforcing turnovers and in bound passes
- Players can now steal the ball when a player is dribbling / passing / shooting
- Scrum – Blow the whistle and restart play; rotate which team gets the ball back
